SUPPLEMENTARY INFORMATION: Notice is hereby given that members of the public wishing to nominate persons for appointment to the National Manufactured Home Advisory Council should submit such nominations in writing to the address listed above.

Background:

The National Manufactured Home Advisory Council (Council) was mandated by the National Manufactured Housing Construction and Safety Standards Act of 1974 (title VI of the Housing and Community Development Act of 1974, 42 U.S.C. 5401 *et seq.*) (the Act), which authorized the Federal Manufactured Home Construction and Safety Standards program. Section 605 of the Act (42 U.S.C. 5404) requires the Secretary to appoint a Council that is composed of 24 members.

Eight members are selected from each of the following groups:

- Consumer organizations, community organizations, and recognized consumer leaders;
- The manufactured home industry and related groups, including at least one representative of small business; and
- Government agencies, including Federal, State, and local governments.

The Department consults with the Council to the extent feasible before any changes are made to the manufactured home design and construction standards. This process gives industry, State and local governments, consumers, and community groups an opportunity to consider proposed manufactured housing construction and safety standards and to make recommendations to the Department.

The appointees to the Council will serve 1-or 2-year terms. The Charter for the Council has been submitted to the Committee Management Secretariat of the General Services Administration (Secretariat) for review, in accordance with 41 CFR 101-6.1007.
